Columbus House is a 501(c)(3) non-profit organization that has been providing solutions to homelessness since 1982. Throughout the years, Columbus House has expanded its mission and programs to include not only emergency shelter but a continuum of housing and services designed to help people who are homeless move toward independence. The agency's primary goal is to provide housing either through our own programs or through referrals throughout Hartford, Middlesex, New Haven, and New London counties to service-enriched or independent housing.

Work Vessels for Veterans was started in 2008 after John Niekrash, a Noank, CT lobsterman heard the story of a wounded warrior's dedication and service after having been severely injured in Iraq. John decided that his boat that had served him well for seventeen years should go to someone who had served his country. Our first "vessel," Krasher I was refurbished and donated for commercial fishing in Narragansett Bay, RI to a USMC Reservist who served three tours in Iraq and Afghanistan and a legacy was born.
