

Dear Volunteers,

You continually have your neighbors needs in mind, planning for the days and months ahead for the individuals and families with children we serve. We are grateful to you for constantly making immediate and long-term positive impacts on their lives. Your thoughtfulness and contributions help the people we serve move out of homelessness and remind them that we are a caring community that will help them remain housed.

**Thank you for your unyielding support and partnership. We could not do our life-saving work without you.**

**#WeLoveCHvolunteers**

**Many thanks to those who volunteered and to those who**
