

THANK YOU!

You are vital to the operations of Columbus House, and we are so grateful for your ongoing partnership. As we continue to navigate through this pandemic, your thoughtfulness and generosity ensures those experiencing homelessness are staying safe and healthy. Your contributions of face masks, snacks, toiletries, gift cards, and Welcome Kit items help protect our neighbors and provide basic needs that are essential for survival.

Thanks to you and our caring supporters, we have housed over 170 people since March 15, and our dedicated staff are continuing the momentum. Those who are staying at hotels are provided with continuing case management and other services to get them on the path to permanent housing. We anticipate the return of clients to our New Haven Shelter at the end of July and we hope to welcome you back through our doors as soon as we safely can. We look forward to keeping you posted to our progress.

You are integral to our work. On behalf of all our neighbors that we serve, thank you for your enduring support.

Stay safe!
