

From deliveries of food and basic necessities to beautifying our sites with plant and vegetable gardens, your care of and generosity to our neighbors is unyielding. Because of you, 587 households – including 164 Veteran households – moved into permanent housing since March 2020. As we turn towards fall, we are comforted knowing that your compassion and dedication will continue to make a difference for every person we serve. Together we are

mighty, and without you, our work of helping people find their way home would not be possible. We are deeply grateful for you. Thank you!
