

Your continuing commitment to those experiencing homelessness is extraordinary and we are grateful to have you as a partner. Your thoughtful responses to the changing needs of our neighbors helps keep them safe as they move from the streets and shelters to affordable apartments. The supplies you provide are vital, especially during the winter months, and truly make a difference. On behalf of all the clients we serve, thank you.

With your support, almost 400 people have transitioned into permanent homes since mid-March. When clients move into new apartments, they are greeted with Welcome Kits and other essentials you provide to help them start lives of independence. All shelter clients have returned to the hotels. Your gifts of food, toiletries, masks and other Wish List items help keep them safe and remind them that they have neighbors who care.

You make this life-saving work possible. Thank you for your partnership in ending homelessness.

We hope you have a safe, happy and healthy holiday season!

P.S. Please contact [Sheree](#) before you bring contributions to Columbus House as our on-site staff is limited.

Be sure to follow us on social media to see more ways you show support!

Many thanks to those who have remained by our side during this national health crisis (since our last communication on October 16 through November 30):
