

We can't thank you enough for your ongoing commitment to helping those experiencing homelessness. Your thoughtful generosity keeps our neighbors safe as we navigate through the summer months of the pandemic. Your contributions of sunscreen, deodorant, t-shirts, bug spray, gift cards, water and Welcome Kit items provide vital support to those we serve. We are so grateful for your partnership.

Thanks to you, since March 15 we have housed 259 people! We continue to provide life-saving services to our clients and are making connections to those living outside through the Drop-In Center. Although we are not yet reinstating volunteer service at any of our shelters, you can still volunteer at the Drop-In Center located in the back parking lot of our Boulevard location.

Volunteers should be able to stand for two hours outdoors and lift up to 25 lbs. To limit the risk to volunteers, all volunteers must be under the age of 60 and should not have any underlying health conditions. Opportunities to volunteer in 2.5 hour shifts are available Monday-Friday (noon-4:30 pm). Please visit the [Drop-In Center volunteer sign-up website](#) for more information and to reserve your spot. Thank you!

On behalf of all our neighbors that we serve, thank you for your ongoing support and commitment to our mission.

Stay safe!

Be sure to follow us on social media to see more ways you show support!

Many thanks to those who have remained by our side during this national health crisis (since our last thank you through August 14):
