

"Blessed are those that can give without remembering and receive without forgetting."  
– Author unknown

Your generosity during these unprecedented and stressful times will never be forgotten. Your selfless dedication to those we serve is an inspiration to us all! Your contributions of hand-made masks, sanitizer and cleaning products to protect staff and clients; groceries for those isolated and alone; and basic need items like toiletries and gift cards for those still living in encampments, too frightened to come into the hotels that now serve as emergency shelters, are keeping hundreds of people safe during the pandemic.

The sheer abundance and variety of the items being donated is overwhelming. Your selfless efforts have, no doubt, saved lives. Thank you for your unwavering commitment to those we serve.

Please stay safe.

*Due to the incredible outpouring of support, we fear that we may have inadvertently left some of our wonderful partners out of this list (as of May 1). If you or your group are not on this list, fear not. We will publish another soon to include those who continue to help along with any that we failed to mention here.*
