

WE DO!

Your thoughtful and ongoing generosity means so much to those we serve and to our staff – we are extremely grateful. As the seasons change and our neighbors transition to shelters and permanent homes, you continue to adjust to their needs and provide vital supplies. Thank you for keeping them safe and getting them on the path to independence.

With your support, since March 15 we have housed over 300 people – including 89 Veterans! Our New Haven Shelter has reopened and we have 22 guests. The seasonal shelters and warming centers will reopen soon.

We couldn't accomplish this life-saving work without your partnership. From the bottom of our hearts, thank you for your continuing commitment to help, one day, end homelessness.

Stay safe!

P.S. A limited number of volunteer opportunities will be available at the New Haven Shelter soon – stay tuned!

Be sure to follow us on social media to see more ways you show support!

Many thanks to those who have remained by our side during this national health crisis (since our last communication on August 19):
