

Because of you, 545 households – including 153 Veteran households – moved into permanent housing since March 2020. While working on their housing plan, you provided them with basic necessities like food, water, socks, toiletries, gift cards, and so much more. When they moved into their own apartments, you gave them Welcome Kits full of items to help them on their path to independence. Without you, our work is not possible.

Without you, those experiencing homelessness might not find their way home. Your compassion and dedication makes each day brighter for every person we serve. Please accept our deepest gratitude for your efforts! Thank you!
